CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D.C. 20505

26 SEP 1975

The Honorable Henry M. Jackson, Chairman
Subcommittee on Arms Control
Committee on Armed Services
United States Senate
Washington, D. C. 20510

Dear Senator Jackson:

At your request, I have reviewed the testimony given by the DD/S&T and me on Soviet compliance with the SALT ONE agreements before your subcommittee on 11 February 1975. I concur with the deletions you have indicated.

Additional recommendations for deletion are bracketed in red in the attached text. These additional deletions are the result of the several reviews just completed. The deletions are based on the need (a) to protect sensitive sources and methods, (b) to insure that the US Agreement with the USSR to respect the confidentiality of SALT negotiations including issues raised in the SCC has been observed, and (c) to remove portions which might seem in conflict with US positions taken in the on-going SALT negotiations and in the SCC.

I would be pleased to consult with you with respect to these recommendations and to discuss summary language or paraphrasing to permit the publication of as much of the substance of this testimony as possible without revealing specific material which we judge to be sensitive.

Sincerely,

SIGNED

W. E. Colby
Director
